

Tonic Team Happy Hour

Come celebrate your organization with Tonic. We'll set you up with your own space on either half our gorgeous patio. Our outside bar will also be open so we can provide intimate service. We've got a lot of experience hosting our fellow businesses and neighbors on the downtown mall, and it's always a blast.

Your team can choose from our full range of beer, wine, and cocktail options, but we'll provide a curated cocktail menu.

Our kitchen emphasizes seasonality and customization for our event parties. Here are some options to get you started.
